# finish the CHRISTMAS CAROL

Chestnuts roasting on an open fire Jack Frost nipping at your nose

Frosty the Snowman, was a jolly happy soul with a corn cob  
pipe and a button nose, and two eyes made out of coal

Here we are as in olden days happy golden days of yore

Here comes Santa Claus, here comes Santa Claus, right down Santa Claus  
Lane Vixen and Blitzen and all his reindeer are pulling on the reins

Have a holly, jolly Christmas; It's the best time of the year I don't  
know if there'll be snow but have a cup of cheer

Take a look in the Five and Ten, glistening once again with candy  
canes and silver lanes aglow

Snowing and blowing up bushels of fun now the jingle hop has  
begun

With the kids jingle belling and everyone telling you "Be  
of good cheer

Rocking around the Christmas Tree at the Christmas party hop  
Mistletoe hung where you can see every couple tries to stop
